

# Join us for an Au-Some Evening!

We're celebrating a very merry Au-Some Evening this December. Children will enjoy a visit from Santa Claus himself and can even take home a special photo! As always we'll have sensory friendly spaces throughout the museum, as well as quiet kits and lots of fun, hands-on activities for children to flourish!

Friendly reminders:

- Many in attendance have complex medical needs, therefore, children are strongly **encouraged** to wear face masks, and adults are **required** to wear face masks at all times.
- Children must be supervised by an adult at all times.

To register for the event, please email [accessibility@exploreandmore.org](mailto:accessibility@exploreandmore.org) or call **716.655.5131 ext. 7071**

**Friday, December 10**  
**5:30 pm - 7:30 pm**
