This craft will lead you to creating a piece of art with actual functionality! This rock painting project will result in creating a picture holder that can be proudly displayed once completed. Participants will paint a design of their choice, then assemble the picture holder. This simple, yet fun craft, leads to a fantastic, completed project!

DIRECTIONS

STEP 1 Take your rock and rinse and dry it. This will help the paint apply evenly.

STEP 2 Using the paint provided create an art masterpiece on your rock! If there is not a color you want, try mixing colors to create new ones.

Allow your paint to dry before beginning the next step.

STEP 3 Using a pen, pencil or marker wrap the craft wire around multiple times to make a swirl pattern with the wire.

STEP 4 With the other side of the wire wrap around the rock.

STEP 5 Choose a photograph to proudly display on your new picture holder!
