THE RALPH C. WILSON, JR.
CHILDREN’S MUSEUM
Embark on a learning adventure! Engage eager learners during a hands-on field trip to Explore & More - The Ralph C. Wilson, Jr. Children’s Museum. Our immersive play zones were designed with your group’s needs, curriculum, and interests in mind. Field trips to Explore & More will spark curiosity, imagination, and wonder in your students.

Groups of 10 or more paying visitors with advance reservation will receive a group rate. Should individuals in your group have special needs that require support or accommodations, please let us know at the time of booking. Dates and times fill up quickly, so book early! The fastest way to request your group visit is to fill out the inquiry form on our website. We will contact you as quickly as possible to confirm your field trip and discuss the details of your visit. If you have questions or concerns, please do not hesitate to email us at bookings@exploreandmore.org.
Explore & More believes that successful inclusion is an ongoing learning process that requires an organizational commitment to meet the diverse needs of the community. We strive to embed inclusive practices into all areas of the museum including providing fully accessible exhibits, accommodations and specialized programming for children with disabilities.

**call ahead services**

We welcome groups to call ahead if you have any questions, suggestions or concerns related to accessibility. Contact us by phone at (716) 655-5131 ext. 7081 or by email at accessibility@exploreandmore.org to speak to our Access & Inclusion Specialist.

**sensory-friendly backpacks**

Upon request, sensory friendly backpacks can be checked out at the admissions desk. Sensory backpacks are designed to enhance the museum experience for children with sensory processing needs. Backpacks contain noise canceling headphones, sensory tools, fidgets, mindfulness resources, and visual supports.

**quiet coves**

Children who feel overstimulated or just need a break during their visit can utilize our Quiet Coves. These sensory friendly rooms contain calming sensory elements such as special lighting and seating, bubble tubes, fidget tools, toys, and books. The rooms are private and perfect for nursing/feeding infants. Quiet Coves are located on the second floor inside our Moving Water Play Zone, and the fourth floor across from our Person Centered Services Community Treehouse exhibit.

**inclusive playground**

Explore & More partnered with Mason’s Mission to build WNY’s first fully inclusive indoor playground. This unique play space is intergenerational and supports both children and adults with mobility needs.

**accessibility highlights**

- Our building is fully accessible with outdoor ramps and exhibits are accessible with elevator access to all four floors.
- There are wheelchair accessible restrooms on each floor. A universal changing table is located on the second floor. This table can be used for both children and adults up to 250 pounds.
- Our Community Treehouse sponsored by Person Centered Services on the fourth floor has a wheelchair lift for accessibility to the upper play space. Please ask a staff member for assistance.
- For a quieter fieldtrip experience we recommend booking an afternoon time slot. The museum is generally less busy on weekday afternoons.
best field trip EVER!

Public and private schools, homeschool groups and licensed day cares may take advantage of the Field Trip program that includes two-hours of self-guided play time, with opportunities for hands-on learning, curriculum enhancement, and fun!

reservations required
Field trips are available Monday-Friday 10:00-3:30. Group reservations are taken on a first-come, first-served basis and can be made by calling the museum at 716-655-5131 ext. 3 to confirm your date and time. Or you can visit us online at exploreandmore.org/groups/field-trips
Reservations are not complete until the date has been cleared on the phone with a museum staff member. Two weeks advance notice is required.

group size
Groups of 10 or more paying visitors with two weeks advance reservation will receive a group rate. Explore & More is closed on Tuesdays exclusively to groups with more than 150 visitors. Groups with fewer than 150 visitors will be scheduled to visit on alternate weekdays.
food policy
We all know learning works best on a full tummy—so you may want to plan for it and make prior arrangements! Our Gathering Hall can accommodate up to 30 visitors. Food can be purchased from the museum’s onsite Low Bridge Cafe by M&T Bank. Title I schools are allowed to bring in bagged lunches with special arrangements made with staff at the time of reservation. A cleaning fee of $50 will be assessed. Room reservation is required. If you are interested in having lunch at the museum, please specify when speaking with a bookings coordinator. Explore & More does not provide a space for picnic lunches. Groups are encouraged to find locations to enjoy lunch at nearby parks or public areas (Canalside) if the lunchroom area is not available to reserve.

buses at explore & more
Large groups visiting Explore & More on buses are asked to load and unload on the side of the Explore & More museum along Main Street - there will be signage indicating where exactly to stop. Thanks to the generous sponsorship from our friends at the Niagara Frontier Automobile Dealers Association (NFADA), Explore & More is able to offer up to $300 toward the bus cost for groups who visit the museum from qualifying schools. Call today to find out more!

pricing
Group Visits: $8/person
Group Visits & Workshop: $13/child; $8/adults
Group visits are by reservation only. Teachers and chaperones are admitted free of charge with a recommended chaperone per five students. Parents, teachers, or adult caregivers over 18 years old qualify as chaperones. Adults in excess of that amount will be charged the group rate. Museum membership does not qualify towards group admission.

add a workshop activity
During your visit, you can also choose to add a focused workshop activity of your choice that is tied to our Play Zones and tailored to your student’s needs, their curriculum and New York State Next Generation Learning Standards. On-Staff educators offer a variety of grade appropriate custom materials and activities to support your educational objectives.
All play zones support the following Pre-K standards:

**PSKL1** – Participate in collaborative conversations with diverse peers and adults in small and large groups and during play.

**VA:Cn11.2.PK** – Imagine and invent through guided play.

**TH:Cr1.1.PK** – With prompting and support, transition between imagination and reality in dramatic play.
In Learning, Caring, Healing students have an opportunity to dress-up in lab coats and take their “plush” patients to examination beds, a small-scale replica X-ray machine and MRI station. This play zone helps students learn more about their bodies, the role of doctors and researchers, and that hospitals are places for healing. The zone may inspire some students, later in life, to consider careers in research and health care. The exhibit is also intended to de-escalate the trauma students sometimes experience when visiting the doctor’s office or a hospital.

Buffalo’s storied architectural history and current trends will inspire students and families to construct their own great edifices in Building Buffalo. A variety of building experiences both big and small will encourage collaboration among museum visitors to solve architectural challenges. Immersing students in the middle of a building project will help to cultivate the next great generation of architects, builders, and urban planners.

**ADDITIONAL $5/STUDENT**

To enhance your pre-school museum visit, add on an extra educational workshop. The students in your group will engage in developmentally appropriate activities to practice readiness skills. Play games, create an art project, listen to a story and engage in hands-on activities to practice and strengthen skill levels.

**Choose from the following as your educational extra:**

- Marching Through the ABC’s
- It Makes “Sense” – Explore the FIVE senses
- The Very Hungry Caterpillar

**In Moving Water** (built on the historic footprint of the Prime Slip), students and families celebrate the history and significance of the Buffalo waterways. Visitors follow the waterways through time and through the Canal District as they carry boats, move people, and power Buffalo. An iconic multi-story waterfall cascades down into a water table where students of all ages learn about the Erie Canal, how locks work, and how electricity is produced. A large visitor-powered water wheel illustrates that moving water is power as visitors compare the amount of energy they can produce individually and together to power the wheel and light up a photograph of Buffalo’s 1901 Pan American Exposition.

Expand the educational opportunity for your elementary students on their next field trip to Explore and More! This workshop is designed by Explore and More’s Lead STEM educator, and carefully crafted to appropriately fit each elementary grade level. This workshop utilizes the Tinkering Tank, Explore and More’s very own maker space. Each student will be presented with a challenge and will construct a solution to make a successful outcome. This workshop is designed to support the following curriculum:

**Science**: NGSSK-2-ETS1-2 NGSSK-2-ETS1-3 NGSS3-5-ETS1-3
In order to provide best-in-class play experiences where all children, families and the community can explore, learn and develop together we strive to:

- Generate enriching play experiences rooted in WNY’s history that celebrate community pride
- Produce fun and engaging experiences that spark learning and growth that spans generations.
- Encourage hands-on exploration using real world tools and materials
- Delight in authentic experiences that foster awareness, knowledge and appreciation of diversity
- Maximize accessibility and inclusion for children and adults alike
- Maximize accessibility and inclusion for children and adults alike
- Develop programs and exhibits that are age-appropriate and explore STEAM concepts
- Enhance language development through exposure to words and concepts
- Create opportunities for self-directed play with unlimited potential outcomes
- Provide open-ended experiences that inspire creativity, curiosity and imagination
